

Amber warning
Wind

Between
21:00 Thu 29 Jul 2021 and
07:00 Fri 30 Jul 2021

Storm Evert will bring very strong winds to southwest England, perhaps causing damage to infrastructure and leading to travel disruption.

What to expect

- Probably some damage to buildings, such as tiles blown from roofs. There may also be some fallen trees and damage to temporary outdoor structures is probable
- Longer journey times and cancellations likely, as road, rail, air and ferry services may be affected
- Some roads and bridges likely to close
- There is a good chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- Flying debris is likely and could lead to Injuries or danger to life
- Injuries and danger to life is likely from large waves and beach material being thrown onto coastal roads, sea fronts and properties

Further details

Storm Evert will bring a swathe of very strong winds with coastal gales and severe gales into the Isles of Scilly later Thursday evening, these very strong winds then spreading into Cornwall during the early hours of Friday. Gusts of 55 to 65 mph are likely in coastal areas with a chance of gusts briefly reaching 75 mph in the most exposed coastal spots in Cornwall. Winds then ease Friday morning. Showery rain will accompany these high winds at times, some of this rain heavy.

Medium likelihood of
medium impacts
